Note to Parents:

Early work experience can help young people learn skills that are vital for success and happiness. Therefore, we offer support to eligible registrants so that they may develop good habits and form a set of work values which will eventually become their own work ethic-one that will serve them and the community well.

The following STUDENT REGISTRATION FORM must be filled out by the student. Please read it carefully. You also will want to read the attached PARENT'S PERMISSION and the STUDENT AGREEMENT forms which must be signed by each parent and each prospective student employee respectively.

We look forward to working with your son or daughter and hope that you will reinforce at home our efforts to instill responsible and productive work habits.

(Please fill out the form below and return to **YES!**)
